PROFESSIONAL EXPERIENCE

Cyber Security Professional with 7+ years of experience in Azure and Microsoft Security solutions, specializing in Microsoft Defender XDR, Microsoft Defender for Cloud, Microsoft Sentinel, and DLP Solutions. Strong expertise in endpoint security, data loss prevention, cloud security posture management, SIEM/SOAR deployments, and vulnerability remediation across Azure, AWS, and hybrid environments. Experienced in implementing Microsoft Defender for Endpoint, Defender for Cloud, Microsoft Sentinel, and Microsoft Purview DLP at enterprise scale. Proven track record of improving Secure Score, strengthening threat detection, and delivering scalable security solutions for banking and enterprise clients.

CURRENT PROFESSIONAL SKILLSET

- Led end-to-end deployment of Microsoft Defender for Endpoint (MDE) across multiple enterprise environments using Intune, SCCM (MECM), and Group Policy (GPO). (Onsite & Offsite)
- Designed and implemented EDR policies, Attack Surface Reduction (ASR) rules, antivirus configurations, and security baselines to strengthen endpoint protection.
- Designed and implemented Microsoft Purview DLP policies across Endpoints, Exchange Online, SharePoint, OneDrive, and Teams to prevent sensitive data leakage.
- Hands on experience on Microsoft Purview and Force Point DLP implementation.
- Drove proactive vulnerability remediation using Defender Threat & Vulnerability Management (TVM), significantly improving and maintaining organizational Secure Score.
- Led enterprise deployments of Microsoft Defender for Cloud (MDC) across Azure, AWS, and on-premises environments. Onboarded thousands of Windows and Linux servers using Azure Arc and Log Analytics agents, enabling Defender for Servers through Azure Policy, REST APIs, and subscription-level plan activation.
- Managed cloud security posture by investigating and remediating security recommendations, vulnerabilities, and compliance gaps.
- Deployed and configured Microsoft Sentinel (SIEM/SOAR) across multi-subscription environments. Developed and tuned analytics rules, KQL queries, workbooks, automation playbooks (Logic Apps), and integrated multiple data sources using custom Data connectors and created custom workbooks.
- Implemented Microsoft Defender for Cloud Apps (CASB) for SaaS application visibility, control, and threat protection.
- Configured App Discovery using Defender for Endpoint integration to identify shadow IT and assess cloud app risk scores. Designed and enforced session control policies, conditional access app control, and file governance policies to prevent data exfiltration.
- Led Microsoft Defender for Identity (MDI) implementation for various environments where Deployed and configured Defender for Identity sensors across domain controllers for on-prem Active Directory environments.

- Successfully led security transformation projects for enterprise clients across Banking, Healthcare, and Airline sectors, deploying the complete Microsoft Defender XDR suite and Microsoft Sentinel.

CORE COMPETENCIES

- Microsoft Defender XDR Suite (MDE, MCAS and MDI)
- Microsoft Defender for Cloud (MDC)
- Microsoft Sentinel (SIEM/SOAR)
- Microsoft Intune & SCCM (MECM)
- Microsoft Purview DLP + Forcepoint DLP
- Core Defender Threat & Vulnerability Management (TVM)

WORK EXPERIENCE

1. Designated as **Specialist – Cyber Defence Center at Cloud4C Services**, Hyderabad (April 2024 – Present).
2. Worked as **Senior Project Engineer at Wipro Ltd.**, Hyderabad (Oct 2023 – Feb 2024).
3. Worked as **Senior Cyber Security Consultant at LTIMindtree**, Hyderabad (Sep 2021 – Sep 2023).
4. Worked as **Cyber Security Analyst at THINKBIG Software Solutions Pvt. Ltd.**, Chennai (Feb 2019 – Sep 2021)

CERTIFICATIONS

- Microsoft Cybersecurity Architect (SC 100)
- Microsoft Security Operation Analyst (SC 200).
- Azure Administration (AZ 104).
- Azure Fundamentals (AZ 900).

RECOGNITIONS AND REWARDS

- Received the Spot-on Award for outstanding performance and dedication to customer success for two consecutive quarters in LTIMindtree.
- Recognised EMPAACT Award and Received multiple Spot-on Awards for successful completion of multiple projects in Cloud4C.

EDUCATIONAL QUALIFICATIONS

- Graduated in B.Tech. (Computer Science & Engineering) from Chaitanya Engineering College, Visakhapatnam (2010 - 2014).
- Intermediate from Narayana Junior College, Board of Intermediate Education in Vizianagaram (2009 - 2010).
- Studied 10th from IRIS Public School, Board of Secondary Education in 2008.

PERSONAL PROFILE

Father Name	:	K. A. Pydi Raju
Date of Birth	:	17 th October 1992
Gender	:	Male
Languages Known	:	English, Telugu, and Hindi.
Nationality	:	Indian
